FINANCES AND
MARKETS

[Republican A. P. Leased Wire]

NEW YORK, Oct. 4.—The significant
feature of today's trading, in which
the turnover again exceeded a million
shares by a comfortable margin, was
the prominence of the railroad group.
These shares far outnumbered all oth-
er issues as to combined activity and
extent of gains, and imparted a founda-
tion of solidity that occasionally
was lacking in other parts of the list.
Additional statements of earnings
furnished the motive power in elevat-
ing the railway shares, many making
the best prices of the year, or since
the outbreak of the war while Nor-
folk and Western surpassed all its pre-
vious quotations on an advance of 5 1/2
points to \$143 1/2.

Other notably strong rails included
Union Pacific, which responded to its
remarkable report for the fiscal year.
In these issues gains exceeded from 1
to 3 points, with nominal recessions at
the close.

Industrials, equipments, munitions,
coppers and motors moved irregularly
with further substantial gains in the
paper shares. American Linsated, com-
mon and preferred, Central Leather
and Hiles and Leather preferred at the
new record of 75 1/2. Sugars also sup-
plemented recent advances on reports
of heavy sales to foreign interests and
the shares of the several express com-
panies rose 3 to 4 points.

United States Steel, while again the
individual leader, exerted little influ-
ence marketwise, ranging between
\$17 1/2 and \$18 1/2 and closing at \$17 1/2.
The net gain of the smallest fraction.
Related issues moved in narrow limits
finished with losses of small fractions
to almost a point. Total sales amount-
ed to 1,125,000 shares.

There was more activity to foreign
exchange marks and rubles shading
on small offerings. Sterling bills were
steady with checks on Paris. Bonds
were active and strong, closed sales, but
value, \$6,180,000. United States bonds
were unchanged on call.
